1. Education: None
2. Science: NONE
3. Community: None
4. Technology: None
5. Communications: None

Plans and Ideas for Next Year:

GLOBE Micronesia will be able to participate in other GLOBE initiatives. We will try to get the other states to involve in the GLOBE activities, beginning with the hydrology and atmosphere modules. Try to get as much data uploaded onto to the GLOBE website and involve our students and teachers in the activities that GLOBE initiated.
